

Much of what we do at Christ's Church to provide a safe and quality place of worship for our children goes unseen by most people. Each worker who works with minors undergoes a thorough background screening process and is trained on strict guidelines designed to protect our precious children. We also take great care to monitor our Christian Education activities and classes.

The full Christian Education Policy Manual which deals with other issues besides child protection (such as class promotions, classroom discipline guidelines, handling emergencies, etc.) is available on our church website.

What other things can parents do to ensure the safety of their children?

- Remind children to walk, not run, in buildings
- As a parent, model respect for teachers and adults
- Respond to leaders requests for Parental Consent forms in a timely manner
- In the event that the buildings have to be evacuated parents should retrieve their children at the designated assembly area in the grassy fields bordering the Worship Center.

CHRIST'S CHURCH SAFE CHILD POLICY

Christ's Church has always taken ministry to your children and their safety as one of our most important callings.

With so much of the enemy's activities directed at our children, we cannot assume that your children are safe, even in places where we may not expect problems.

To ensure the safety of our children, our ministry leaders and parents must work together.

"Let the children come to me. Don't stop them! For the Kingdom of God belongs to such as these. Luke 18:16-17"

Here are some things we need you as a parent to do to help us protect your children.

On Sundays and during Weekday Programs:

Dropping Off Children: Do not send any child grade 5 or younger to class by themselves, but accompany them to their classroom.

Picking Up Children Immediately following each service, help our teachers by promptly picking up your child. Do not send a brother or sister to pick up younger children, the teachers are allowed to only release them to parents and guardians.

Between Small Group Bible Study and Church: On Sundays, Small Group Bible Study teachers will escort the children grade 5

or younger directly from their class to Children's Church. Children will not be allowed to run free of supervision during the time between Small Group Bible Study and the worship service.

When there is no Children's Church: On the Sundays when there is no Children's Church, our teachers will bring the children to the Auditorium where they will be released to you.
