

Schedule For Prayer During the Sunday Service

Dear Prayer Partner,

In your commitment to become a “Prayer Partner” for our church you have accepted the challenge to on a rotating schedule come to the church at 9:30 AM on your designated Sunday and do the following:

- **Pray Geographically:** Beginning at 9:30 AM you should lay hands on everything in the auditorium – the pulpit, the musical instruments, and the chairs asking God to make everything work according to His plan and to bless and minister to the people who will soon be there. Pray similarly in Children’s Church.
- **Pray for the Pastor:** At about 9:45 AM, you should pray with the worship team for the service and the Pastor.
- **Pray during the service:** At 10:30 AM when the service begins, you should be in the sanctuary to pray for the service. Position yourself toward the back of the sanctuary so as to observe what is happening during the service.
